

# Member Benefits

## Advocacy

BOMA advocates on your behalf, representing CRE interests at all levels of government, saving building owners billions of dollars. Our collective voice helps shape building codes and standards from the moment they are conceived, not after they have been released, protecting your business and shaping the future of the industry.

## Build Valuable Relationships

Networking within BOMA Northeast Ohio provides invaluable opportunities for members to connect with peers, industry leaders, and potential collaborators. Whether it's sharing best practices, exploring potential partnerships, or simply expanding one's professional circle, BOMA's networking platform fosters a supportive and collaborative environment where our members can thrive.

## Access to Industry Education and Leadership Training

BOMA Northeast Ohio strives to provide professional real estate education and training that is timely, responsive and cost effective. We set the industry standard while enhancing the value of the individual, company and property. Membership involvement encourages and supports initiative, innovation, collaboration, leadership and decision-making.
