

BOMA EnergyProgram

As a member of the BOMA Northeast Ohio Association, you have access to expert energy consulting.

Given energy market volatility, BOMA members need to find new and creative ways to mitigate risk and manage costs. The BOMA Energy Program through Energy Partners.US, offers a full range of integrated energy solutions for its member businesses.

Your company will benefit from:

- » **A dedicated energy consultant and team of market analysts**
As an extension of your team, we work with you to craft strategies, evaluate energy projects, advise on rebates and incentives as well as regulatory or legal changes, and act as a liaison with suppliers and vendors.
- » **Unbiased competitive procurement process**
Leverage Usource's supplier network to get the best electric and natural gas pricing and contract terms with our fully transparent, unbiased bidding platform.
- » **Robust energy solutions**
Our consulting services range from procurement to energy efficiency to renewables, allowing us to customize the right energy strategy to meet your budget needs and business objectives.

Energy Procurement
